WHO WE ARE

SOKO ROOFTOP

A small and focused team providing unparalleled quality in every detail, each step of the way.

Located on the 11th floor overlooking the Sonian Forest, Soko Rooftop was born from a simple idea inspired by a June 2021 sunset.

A place where celebration, relaxation, and connection came together, turning our first season into a creative and successful challenge.

Introducing Soko+, a distinctive venue for private and corporate events.

An inspiring setting designed to pause, disconnect, and reconnect, offering a unique perspective over the forest while fostering meaningful exchanges with colleagues and guests.

Tailor-made indoor and outdoor events, from breakfast meetings to after-work gatherings, team buildings, conferences, and seminars.

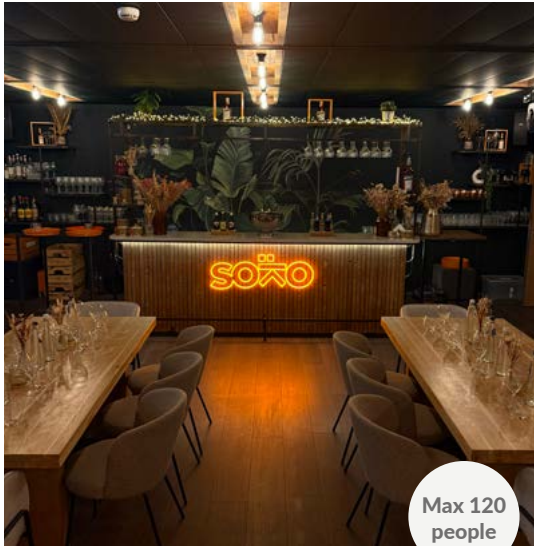

From day to night, enjoy an exceptional view, curated catering, and crafted cocktails. This is not just another day. It is an experience.
